

**SAN JOSE UNIFIED SCHOOL DISTRICT
PROPERTY & COMMUNITY SERVICES OFFICE**

FIELD CONDITIONS OF USE

All leagues that obtain a field permit in San Jose Unified School District must agree to these conditions of use as well as the rules listed on the permit itself.

1. Leagues will be held responsible for the conduct of its **coaches, participants and parents** and be responsible for any damage done to school property during its time of use.
2. **There is to be no adjustment whatsoever to the district's irrigation system. Contact Gil Chiono, Grounds Supervisor, at 690-9579 regarding water issues.**
3. **Burning or cutting of lines is prohibited.**
4. **Games and practices are to be canceled if rainfall occurs within 24 hours of scheduled practice or game. Fields will be closed if damaged.**
5. Limit the use of cleats, replace divots and avoid overuse of areas whenever possible.
6. You are responsible for the **maintenance and cleanliness** of the fields you use. Please pick up and remove all garbage at the end of each day. **You may not use district cans or dumpsters.**
7. If your permit is for a grass field, school restrooms are not available unless you pay for a custodian (\$46.91 per hour). If you would like to place a porta potty on site, please get the principal's permission and instructions for location. Toilets must be secured to a tree or fence, maintained and cleaned on a weekly basis.). If your permit is for a synthetic turf at a high school, a custodian is included in your fees.
8. Leagues must confine their practices and games to the days and hours shown on the permit. No area will be considered reserved and no league may claim "ownership" of any field.
9. Use of any school property will not be permitted if SJUSD determines that such use will render the property unfit or will interfere with its proper use for school purposes.
10. SJUSD reserves the right to cancel a field permit if it conflicts with school programs or due to continued complaints and will have priority for field use at any time with notification to league.
11. Power scooters, go-carts, motorcycles and other vehicles are prohibited from being driven on the grass or synthetic turf.
12. **Portable lights are prohibited on district fields which is why practices/games end at dusk.**
13. There shall be no climbing of fences, trees, backstops or buildings and no climbing fences into gated or locked areas of the school. Your permit gives you access to the field area only, not the school.
14. All SJUSD are non-smoking and drug and alcohol free zones.
15. **Immediately following the end of your league's playing season all portable toilets, goals, fences and backstops that you had placed at that site must be removed.**

I have read and understand the above conditions of use and will follow these rules and regulations.
